

CERTIFICATE OF COMPLETION

This certificate is proudly awarded to

Sadman Islam Chowdhury Samin

for successfully completing the six-week virtual training program titled

"Enterprise Web Development with ASP.NET and SQL Server"

conducted from October 31, 2025 to December 22, 2025. The program covered essential topics including development environment setup, ASP.NET Web Forms, MVC and Core fundamentals, database integration with SQL Server and Entity Framework, CRUD operations, advanced features, deployment practices, and Web API development.
